Hey! I'm Jen.

I began the first decade of my career in a startup helping to launch a billion dollar global and award-winning brand while in a leadership development training role. Having now been an award-winning professional Keynote Speaker for 25 years, I've given over 10,000 programs, impacting more than a million people. As a best-selling author with seven publications, hosting a television show seen in 50 countries worldwide, as well as having a podcast that highlights leaders who are changing their corner of the world, I'm committed to amplifying great leadership. I'm also the Chief Communications Officer for an organization, partnering with the biggest brands in the world. I help to develop high-performing and high-value leaders through fast-moving and transformational keynotes, training, and virtual events. With an inspiring and practical message, I know how to get audiences on their feet and excited about creating big change.

"I've worked with Jen multiple times with a large variety of clients. Today, she is my "go to" for motivational speaking and leadership development. There's no one I have encountered who brings the combo of experience, intelligence, and fun. Simply put, she is exceptional!"
