

SUSAN JODEE BECKETT

Speaker & Storyteller

Susan JoDee Beckett, a Commissioner for the Nevada Deaf and Hard of Hearing, works for the State of Nevada and as a freelance paralegal in her spare time.

As a mother of four daughters, she knew going deaf at age 40 she would need to figure out options to enjoy life and everything it has to offer. While cochlear implants changed her life, many people credit her positive attitude and quitting is not an option mindset to her success with cochlear implants.

Beckett is both shocking and entertaining with profound insights as she is still overcoming obstacles. We can now add breast cancer survivor too!
