

# JEN BUCK

SPEAKER | TRAINER | EXECUTIVE STRATEGIST | AUTHOR

## Introduction

Our next speaker has spent over 20 years motivating and educating massive audiences around the world. She's written six books, is a Bestseller, and has a podcast and television show that is seen in 50 countries worldwide. With clients like Coca-Cola, WalMart, Google, McDonalds, Mercedes Benz, and the US Department of Defense, Jen Buck has worked with the best and is committed to helping people raise the bar in their professional lives.

She began her career at a start-up and spent a decade working in that super-charged environment as the company exploded on the scene. She is the founder and director of a nonprofit that helps families in need and has worked with four US Congressional candidates as a Chief of Staff.

Jen is committed to helping leaders own their magic and live with their foot firmly on the pedal. Please put your hands together and help me welcome the woman who is going to get us fired up, engaged, and moving... JEN BUCK!
