TAP INTO YOUR DEEP BRAVERY

We make an impact by stepping into the unknown, disregarding fear and focusing on how we can create change that will benefit others.

CHOOSE TO BE GUTSY

Bold moves demand imagination and determination, and women have that in spades! Dreaming big, finding the right partners, and being willing to lean in are what will help us leave a mark.

EMBRACE AGILITY

Our ability to adapt to change and make the most of newfound challenges and opportunities will be the key differentiator in the impact that we make.

Becoming A Woman of Impact

The future is female. And so is much of our past. When we look at social change and the myriad contributions women have made, both to historical events and to the society that shapes our modern world, it's a woman's social and emotional compass that is often guiding us. There has truly never been a better time for women to take the lead in creating massive social impact than right this very moment. We are watching more women open organizations, more women lead companies, and more countries with women at the helm-- these are exciting times as we watch women take center stage and stand in their truth. This inspiring and soul-stirring keynote will encourage women to take the lead, step into their power, and create a movement that will have an impact on the world around them.

As the Chief Communications Officer for a female-founded and led nonprofit organization, along with being the founder of a nonprofit herself, Jen Buck is committed to being a woman of impact. Whether it's working in the humanitarian aid sector, leading U.S. Congressional campaigns as the Chief of Staff for marginalized candidates, or starting community action projects, Jen is committed to utilizing every resource she can to make a difference so that everyone is treated equitably. The goal is to leave the world better than we found it-- and that's why this keynote matters so much.
