

JEN BUCK

Global Keynote Speaker, Awarded 2026 Smart Meetings Best of Stage, Top 100 Speakers To Watch in 2024 & 2025, C-Suite Veteran, Bestselling Author of 10 Books

Hey! I'm Jen.

For 28 years, I've delivered high-energy, music-fueled keynote experiences that turn audiences into part of the show. With 10,000+ presentations and over a million people impacted, I know how to transform a room through the power of music, movement, nostalgia, and human connection. From iconic singalongs and dance breaks to unforgettable throwback moments that instantly unite generations, I create experiences that make people feel something—not just hear something. A Top 100 Speaker to Watch (2024 & 2025), award-winning keynote speaker, and author with ten books, I blend neuroscience, storytelling, audience interaction, and “you-had-to-be-there” energy to create learning that sticks. This isn't a traditional keynote—it's a full-throttle, immersive experience where people laugh, dance, connect, reflect, and leave transformed.

"I've worked with Jen multiple times with a large variety of clients. Today, she is my "go to" for motivational speaking and leadership development. There's no one I have encountered who brings the combo of experience, intelligence, and fun. Simply put, she is exceptional!"
