Our next speaker has spent over 25 years motivating and inspiring massive audiences around the world. She began her career in a start-up and helped launch a billion dollar, award-winning global brand onto the world's stage. She's been in three C-suite roles, is an award-winning Speaker, four-time best-selling author with nine books, and hosted a podcast and television show that's been seen in 50 countries worldwide. Spanning more than two decades as a leader, she has spoken in front of a million people at over ten thousand events, and her clients are some of the biggest and most recognized brands in the world. She's committed to helping people own their superpowers and trust that they are here to leave a massive mark on the world.

Please put your hands together and help me welcome the Speaker who is going to get us fired up... JEN BUCK!
