Zandra Foster, Emory University

I just wanted to take a few moments to say that Jen was AWESOME! The enthusiasm and energy she brought to the training were both appreciated and well received by the group. Professionally, she was everything we needed, wanted and more. On a personal note, as I think of my own growth and development, she was everything that I aspire to be. I was very impressed by her sense of humor and versatility. She was absolutely phenomenal and a delight to observe. I thought I would simply be there to observe, but I couldn't help it....I had to engage!

Laura Gates, Founder of The Gates Group

Jen's bravery in helping those in need at a crucial, yet decisive, time in our country's evolution is inspiring. Her willingness to get up on stage and share her experiences is even more courageous, given the subject matter. Her honesty, depth, warmth, and call to all of us to take action in the face of adversity is timely and essential.

Cheri Devery, Account Manager, ABWA

For 15 years, I had the pleasure to work with Jen with our major clients. She stands out as among the most dynamic, energetic and personable speakers I've known. She has the ability to instantly connect with and inspire an audience with her expertise from topics ranging from leadership, communications to coaching and mentoring. I can easily say she's one of the very best I've worked with!

Eileen Green, Vesta Corporation, Director Learning and Organizational Development

Jen is a testament to what it means to go above and beyond – she not only delivered on what we asked, she exceeded our expectations. If you need a speaker with a proven track record that doesn't just deliver a canned speech, and you want someone who's kind, witty, fun, professional, with energy for days, book Jen!
